

BULLDOG IT SERVICES

VoIP PHONE SYSTEM SOLUTIONS

Make the smartest, safest phone system choice for your company. VoIP solutions include:

EASILY SCALABLE

Adding users is a breeze with our NextOS online portal

LOW COST

Spend significantly less on setup and monthly costs than traditional phone systems: as low as \$19.95 per month per line!

NO DOWNTIME

Your phones keep ringing when power is out and forward if Internet is down

TEAM COLLABORATION

Keep your employees connected in one system, regardless of their location

SWEET FREEDOM

Make calls and manage your system from anywhere—without an IT degree

Schedule a phone system assessment today:
