

BULLDOG IT SERVICES

BACKUP & DATA RECOVERY

Bulletproof your Data Protection with the highest industry standards in an all-in-one backup and business continuity solution.

Did you know that 7 of 10 small businesses that experience a major data loss go out of business within a year?

With Bulldog IT's backup and disaster recovery services, you won't be a statistic.

BENEFITS:

- ✈ Freedom to focus on your business, not your backup
- 🚫 Dramatically reduce time to restore files, email, databases and servers.
- ☁ No more tape management
- 🌙 24x7x365 support
- ☂ Confidence that if a disaster occurs, you're covered

FEATURES:

- ⚡ Back up data as often as every 15 minutes
- 🔄 Back up open documents without interruption
- 🚫 Restore deleted or corrupt files on the fly
- ✉ Restore single missing emails or entire inboxes
- 🏢 Completely virtualizes your server in the case of a hardware malfunction, putting you back in business
- 🔧 Bare metal server restoration regardless of hardware changes or a completely new server
- 🔒 Data is encrypted locally and archived in off-campus data centers automatically, incrementally, forever!

// *In January, my computer crashed. Bulldog IT had me back up and running in an incredibly short period of time. They are the BEST and MOST RESPONSIVE IT company in the industry. I have had a variety of issues and they have shown up to my business on the weekend to fix them. They are honest, dedicated, personable, and phenomenal problem solvers."*
